

Trojan Horses Part 1

Group Questions & Resources- Don't worry about completing this whole discussion in your group. This is more about ministry, prayer, and growth, than it is getting through a worksheet. But please take time to read these passages and finish these answers on your own before your group so that you can grow from them and come prepared to discuss the sermon, passages, and questions together.

This weekend in church Pastor Anthony talked about finding your identity in Christ. He also addressed the fact that the spiritual world is real and gave us points to understand who our enemies are. We will be learning over the next two weeks how to distinguish what is attacking us- whether it is fleshly, worldly, or demonic, and the best ways to combat them.

Read Romans 8

**As a group read Romans 8. Discuss this passage and how we as Christians can learn to battle spiritual attacks that may come after us.
How can you distinguish what is attacking you? Is it your flesh, the world, or demonic spirits?**
