Group Questions & Resources - Don't worry about completing this whole discussion in your group. This is more about ministry, prayer, and growth, than it is getting through a worksheet. But please take time to read these passages and finish these answers on your own before your group so that you can grow from them and come prepared to discuss the sermon, passages, and questions together.

This Week Pastor Anthony spoke to us about death and what happens when we die. Take some time and reflect as a small group on the questions below.

Group Questions:

1. *What stood out to you, or what did you learn in this weekend's message? Was there anything that gave you hope?*

Read: Philippians 1:18-30

2. *Why was Paul not afraid of death? What kept Paul going and living?*
3. *With what we learned this week, are you afraid of death? Do you look forward to being present with the Lord after this life?*
4. *What keeps you going and living, or in other words, how can you live your life (like Paul) in light of your approaching death?*
